

2012 CABERNET SAUVIGNON
CLOUD'S NEST VINEYARD
MT. VEEDER — NAPA VALLEY

VINEYARD INFORMATION

High above the Napa Valley floor in the Mayacamas Mountains, our Cloud's Nest Vineyard embodies the greatness of the Mt. Veeder appellation. This high altitude vineyard is incredibly steep with gravelly soil, and like all our vineyards, must be patiently farmed by hand. Its cool, eastern exposure allows for extended hang time, which imbues the grapes with greater complexity and character.

2012 GROWING SEASON

The 2012 growing season began with an early budbreak and mild weather in the spring made for a heavy berry set. We had beautiful consistent warm days throughout the growing season coupled with cool nights and foggy mornings, ensuring good slow ripeness. The phenolic maturity was in unison with sugar ripening. The warm fall with very little rain made for a harvest without incident. The resulting wines have beautiful balance and depth.

WINEMAKER COMMENTS

"Above the fog line at 1,500 feet, this is an incredibly beautiful, yet stressed vineyard that produces trademark Mt. Veeder characteristics. Black cherry, dried herbs and forest floor undertones are matched with blueberry and brambly black fruit flavors coupled with hints of baking spice. The wine has low acid and soft tannins, giving it nice approachability and finesse."
