

TRINCHERO

NAPA VALLEY

Like its namesake, Mary's Vineyard has a lot of personality. Mary's was the very first vineyard purchased by the Trincherero family in 1980, and holds significant sentimental value. Named to honor Mario Trincherero's wife, Mary's Vineyard has aged very gracefully.

2016

MARY'S

SINGLE VINEYARD

SAUVIGNON BLANC
NAPA VALLEY

VARIETAL COMPOSITION:

100% Sauvignon Blanc

HARVEST DATES:

August 28 – September 12, 2016

RELEASE DATE:

January 2017

Alc: 14.2 | pH: 3.39 | TA: 5.8

CASES PRODUCED:

3,250

VINEYARD INFORMATION

This sustainably farmed estate vineyard sits on 14-acres in the Calistoga AVA and has balanced vines, moderately fertile soils and excellent sun exposure—ideal conditions to grow Sauvignon Blanc with vibrant character.

2016 GROWING SEASON

After multiple years of dry weather, the Napa Valley finally received an ideal winter. The rain began in November and continued intermittently through mid-April. The vineyards were perfectly prepared for bud-break with ample water available for the season. We waited patiently to see if Mother Nature would be more generous with yield after a very small 2015 crop size. The weather continued to be ideal, with average highs in the mid-80s all the way through August. Cool nights helped maintain bright acidity to balance the firm tannins. Harvest for Trincherero Napa Valley began on August 29th with Mary's Sauvignon Blanc. This was 3 days later than 2015, but still 5–7 days earlier than average.

WINEMAKER COMMENTS

"Mary's Vineyard is a warm site to grow aromatic white wines and I am consistently pleased with the balance of ripe tropical fruit and bright acidity in the grapes from this vineyard. This wine is entirely fermented and aged in stainless steel to retain its natural fruitiness. This is unmistakably Sauvignon Blanc with aromas of pear, apricot and subtle mineral components, boasting beautiful complexity, a silky texture with mouth-filling kumquat, passion fruit and juicy mango flavors. A fresh, bright citrus undertone carries through to a crisp, refreshing and well-balanced finish." – Mario Monticelli
